Quotation

Quotation No.: Q20260113000122 **Effective Date: 2026-01-23** **Expiration Date: 2026-04-22** **Payment Terms:0.00% in advance, 100.00% shall be paid within 30 days from invoice issue date.** **Customer：University of Pavia** **Contact Name: Prof. Ornella Semino** **Address: Dept. of Biology and Biotechnology, via Ferrata 9, 27100 Pavia** **Phone:** **Email: ornella.semino@unipv.it**	**Service Provider: BGI TECH SOLUTIONS (POLAND) SP. Z O. O.** **Contact Name: Christine Zhang** **Address: ul. Jutrzenki 12A 02-230 Warszawa** **Phone: 13923773991** **Email: christine.zhang@genomics.cn**

Notes: BGI TECH SOLUTIONS (POLAND) SP. Z O. O. hereinafter referred to as BGI or Provider.

1. Service Fees

No.	Product	Service	Number of Samples	Quantity	Unit Cost	Approved Price
1	16S/18S/ITS Amplicon Sequencing	DNBSEQ meta V3-V4 package	45		20.00	900.00
2	16S/18S/ITS Amplicon Sequencing	Reviol full length 16S package (BI,50K)	175		40.00	7,000.00
3	Others	Sample logistics fee		2.00	120.00	240.00
4	Others	AWS Delivery fee	1	220.00	30.00	30.00
	Total					8,170.00
	TAX (0%)					0.00
	Grand Total(EUR)					8,170.00

Notes：

Tax: Applicable state sales tax will be added to your Quotation, Customer shall be responsible for the payment of any and all sales, use, and excise taxes and all other taxes and, if any, charges other than income taxes, assessed in connection with the Services or this Quotation.

2. Overview of Services

Product Name	16S/18S/ITS Amplicon Sequencing
Sample Type	Genomic DNA
Sample Number	45
Species Name	insect
Sequencing Platform	DNBseq
Read Length	PE 300bp
Data Output	50000.00 Clean Tagsper sample
Analysis Type	Standard Bioinformatics
Turnaround Time	40 Work days

Product Name	16S/18S/ITS Amplicon Sequencing
Sample Type	Genomic DNA
Sample Number	175
Species Name	insect
Sequencing Platform	PacBio Revio
Read Length	PacBio Revio
Data Output	50000.00 Clean Tagsper sample
Analysis Type	Standard Bioinformatics
Turnaround Time	50 Work days

Product Name	Others
Sample Type	
Sample Number	1
Species Name	
Sequencing Platform	
Read Length	
Data Output	1.00 Not ApplicableNot Applicable
Analysis Type	
Turnaround Time	

Notes：

Turnaround Time starts from BGI's receipt of per batch of qualified samples and the prepayment from Customer.

3. Sample Requirements

3.1 Please follow the sample requirement for different sample types, for more details please check the following link/document: New Regulations Regarding Sample Containers

3.2 Please ensure the samples were preserved and transported with the given condition, for more details please check the following link/document: Standard Products Nucleic Acid Sample Submission Guideline / Tissue Sample Submission Guideline

3.3 Within the scope of personal data of data subjects who are in the European Union (EU), Customer affirms to comply with all applicable laws and regulations, including but not limited to General Data Protection Regulation.

3.4 Customer represents and warrants that

a) it owns or has the right to provide the Samples to Provider for use in connection with the Project, and such delivery and use will not violate any obligation that Customer owes to any person or entity;

Within the scope of personal data of data subjects who are in the European Union (EU), Customer commits to:

- obtain the explicit, free, specific, informed and unambiguous consent of the data subject (patient/testee/examinee/…) for the collection and use of personal data and to explain the purposes of the collection and use of personal data.
- to mention to the data subject that his personal data, collected by Customer, will be transferred to Provider for the purpose of its entrusted mission, based on the contract signed between Customer and Provider and to obtain his explicit consent in this regard.
- to mention to the data subject that depending on the sample type, convenient delivery and experience, the samples will be delivered in BGI Tech’ s global laboratories, including but not limited to San Jose（USA）, Warsaw（Poland）, Copenhagen（Denmark）, Brisbane（Australia）, Hong Kong（China）, and Mainland China, etc.and to obtain his explicit consent in this regard.
- to inform the data subjects (patient/testee/examinee/…) of BGI Privacy Policy.

b) it has secured all approvals, licenses, permits, and registrations that are required to deliver the Samples to Provider for use in connection with the Project, and

c) Provider’s use of the Samples for the Project will not infringe any Intellectual Property or other propriety rights of any third party, or violate any legal or ethical requirements.

3.5 In accordance with GDPR, the Customer commits to previously obtain the free, specific, informed, and unambiguous consent of the patient/testee/examinee/… regarding to his choice of destruction or storage of his personal data.

3.6 Depending on the customer’s sample type, convenient delivery and customer experience, the customer’s samples will be delivered in BGI Tech’s global laboratories, including but not limited to San Jose（USA）, Warsaw（Poland）, Copenhagen（Denmark）, Brisbane（Australia）, Hong Kong（China）, and Mainland China, etc.

3.7 All biological samples provided to Provider shall be in full compliance with all applicable international and national laws, regulations, and ethical policies (including, without limitation, those governing human subjects, animals, plants, and microorganisms). Customer further represents, warrants, and covenants that the collection and utilization of blood and other human samples containing personal information has been

conducted only after obtaining Explicit Consent from the relevant subjects (including, but not limited to, consent in written form or other forms duly approved by an authorized institutional ethics board).

3.8 Customer hereby represents and warrants that all research activities have been duly reviewed and approved by Customer's institutional ethics board and are in full compliance with all applicable international and national laws and ethical policies. In the event that the Customer has not established an Ethics Review Committee, they shall, in writing, appoint an Ethics Review Committee of a qualified institution to conduct the ethical review.

4. BGI Deliverables

4.1 Provider will provide the clean reads/raw reads with fastq format with AWS cloud or hard drive. The sequencing results of the project will be accessible **only one months** after the data release via AWS/GENAN.

4.2 The delivery fee includes storage fee for one month and download fee **for single time**. If you download multiple times, the account may be closed due to insufficient fees. Extra charge will apply if storage term exceeds above maximum.

4.3 BGI will store the customer samples up to **three months** from the date the project is delivered.

5. Payment

Item	Type	Proportion of entire order (%)	Amount（EUR）	Payment Method
1	All the payment	100%	8,170.00	shall be paid by Customer within 30 calendar days from invoice issue date.
Note
