	Billing Option (to select only for Cloud IaaS and PaaS):	☒ FLAT Pay as you go with: <ol style="list-style-type: none">First Upfront Payment of 10.000 € including VAT for GCP Cloud credits. Sparkle will issue an invoice for this amount by the first week of February 2026.Second Upfront Payment of 9.716 € including VAT for GCP Cloud credits. Sparkle will issue an invoice by the first week of November 2026. The Customer acknowledges and agrees that the total GCP cloud credits provided under this agreement shall not exceed the amount of 10.000 € including VAT for the first order and 9.716 € including VAT for the second order. The Customer is solely responsible for monitoring usage and ensuring that consumption of cloud resources remains within the allocated budgets. Any usage that exceeds the value of the ordered GCP credits shall be the sole financial responsibility of the Customer, and the Customer agrees to pay all charges associated with such excess usage. All GCP cloud credits purchased under this agreement are non-refundable and non-reimbursable, regardless of actual usage. In the event that spending exceeds respectively the First Upfront Payment and the Second Upfront Payment, Sparkle will require

		<p>the Contracting Party to either extend the duration and/or amount of the existing Purchase Order or issue a new Purchase.</p> <p>☐ PAY AS YOU GO (available only for Cloud IaaS and PaaS)</p>

8. Additional Provisions

8.1 IaaS and PaaS orders subsequent to the first

By executing this OF, Customer acknowledges that the present OF is valid also to order subsequent IaaS and PaaS services of the same Cloud Provider technology.

More specifically, in the event Customer requires new IaaS and PaaS services of the same typology (i.e. same service of the same Cloud Provider technology) of IaaS and PaaS services previously ordered and provisioned following the present OF (for instance AWS account or Google Cloud sub-billing or Microsoft tenant or subscription, subsequent to the first ones ordered and provisioned following the present OF), the present OF can apply and it is not required to finalize a new OF.

8.2 Google Cloud Provisions:

By entering this Agreement, Customer acknowledges that:

- a) its use of the Google services is subject to the Google Terms of Services (TOS, a current version of which is located here <https://cloud.google.com/cloud/terms/service-terms> for Google Cloud and here https://workspace.google.com/terms/premier_terms.html for Google Workspace.
- b) Telecom Italia Sparkle and Google are independent contractors and Partner is not Google's agent or partner or in a joint venture with Google.
- c) The use of the services is subject to the Acceptable Use Policy (UAP), which is located here <https://cloud.google.com/terms/aup>
- d) Google is a processor for Google services described at letter a), Sparkle is a processor for activation and technical assistance services as described in 'Information Sparkle GDPR' Annex, and Customer is the controller, of any Customer personal data, and the terms "controller", "processed", "processor" and "personal data" have the meaning given in the European Data Protection Legislation.
- e) Google Cloud services is subject to the Google Cloud Data Processing Addendum applicable to all Google services as set forth here <https://cloud.google.com/terms/data-processing-addendum>

Customer's acceptance of the above Terms (check x for YES) ☒
